

PORCELA!

The Only Preparation Made
Exclusively for Cleaning.
**Enameled Iron Bath Tubs
AND OTHER
ENAMELED WARE,
ALSO ALL
PORCELAIN WARE.**

Do not clean your Enameled Bath Tub Wash Bowl, Sink or Porcelain Ware with gritty acid substance, as it will positively ruin the enamel in a short time. This is a fact. Ask your plumber or any dealer in plumbers' supplies about it.

PORCELA is positively guaranteed to remove all dirt, grease, rust or other stains (unless same is caused by faulty or damaged enamel) without the slightest tendency to injure the enamel.

CONSUMPTION'S WARNING

Inside facts soon become evident in outside symptoms.—DR. G. G. GREEN.

¶The aid of scientific inventions is not needed to determine whether your lungs are affected. The first symptoms can be readily noted by anyone of average intelligence.

¶There is no disease known that gives so many plain warnings of its approach as consumption, and no serious disease that can be so quickly reached and checked, if the medicine used is Dr. Boschee's German Syrup, which is made to cure consumption.

¶It is in the early stages that German Syrup should be taken, when warnings are given in the cough that won't quit, the congestion of the bronchial tubes and the gradual weakening of the lungs, accompanied by frequent expectoration.

¶But no matter how deep-seated your cough, even if dread consumption has already attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble.

¶New trial bottles, 25c. Regular size, 75c. At all druggists.

Sunflower Philosophy.

[Atchison (Kan.) Globe.]

You cannot make a compliment big enough to suit some people.

Busy men seem to attract idle men as surely as molasses attract flies.

Don't long to be prominent; a prominent man is a man for annoying fools.

An apology has to be treated carefully to make a good appearance.

Don't try to induce a man to do that which he doesn't want to do; he won't do it, and will hate you besides.

Everybody understands that an old boiler must be treated with care, but very few understand that an old stomach is as dangerous as an old boiler.

The negro has this consideration shown him: His ignorance is called superstition, while the white man's ignorance is called by its name.

This is about all the attention some men attract: When the procession goes by people inquire: "Whose funeral to-day?"

When a preacher falls in love with a girl who crochets on Sunday there is great indignation in the church, and the women debate if it isn't Some One's duty to tell him.

One of these days a woman will commit suicide, and no one will be surprised when her last message to husband contains a request to be sure and put the cat out nights.

Of course you have noticed how a boy "works" his father. The father announces that he will not permit a dog around the place. The boy gets a dog and ties it in the barn. Finally the old man becomes fond of the dog, and the boy turns it loose.

They say a man went to a dissipated neighbor and said: "You drink too much. You haven't as much sense as my old cow. My cow drinks as much as is good for her, and then quits." To which the dissipated man replied: "If I were drinking water I would stop, too, when I had enough."

The Colonel's Waterloo.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from liver and kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold and guaranteed to cure dyspepsia, biliousness and kidney disease by Oberdorfer the druggist at 50c a bottle.

ELITE BARBER SHOP.

HERE AND THERE.

E. L. Owen, a member of Company C, Sixth Kentucky infantry, Orphan Brigade, died at his home at Cave City.

The birthplace of Abraham Lincoln in Larue county was sold this week in Hodgenville at commissioner's sale to R. J. Collier of the Collier Publishing Company, for \$3,600. It is expected that the property will be turned into a public park.

Mrs. June Johnson, a magazine contributor under the non de plume of Helen Dixie Johnson, was drowned Monday at Coney Island. Before her body was recovered a telegram was received announcing the death of her husband, Allan Johnson, at Little Rock.
